“ I'm posting the following beautiful words from Terry Jensen as she doesn't do social media, PCs, etc. Terry was a long time girlfriend of Damian's and was/is an angel on earth watching over him...

"To those I love and those who love me,
When I am gone, release me, let me go - I have so many things to see and do. You mustn't tie yourself to me with tears, be happy we had so many years.
I gave you my love, you can only guess how much you gave to me in happiness.
I thank you for the love you each have shown, but now it's time I traveled on alone.
So grieve a while for me, if you must. Then, let your grief be comforted by trust. It's only for a while that we must part so bless the memories within your heart. I won't be far away, for life goes on. So, if you need me, call and I will come. Though you can't see or touch me, I'll be near and if you listen with your heart you'll hear all of my love around you, soft and clear.
And then, when you must come this way alone, I will greet you with a smile and welcome you home!

“ My brother, you are gone but will never be forgotten! I remember all of the great times we shared but man the 70's are the times that really stand out to me! You will be missed but I must say rest in peace and feel no pain. I love you brother and we will meet again!

p.s. I feel bad because I can't find the box of pictures from when we were kids. One day I will post those when I find them...probably on Facebook.
