“ You don't know me but Jack is my Mom's cousin. His parents Uncle Kenny and Aunt Irene were dear people. I have very fond memories of them. Ken was my Grandpa's brother. My Grandpa was Ralph. I remember going to see Ken and Irene often when we were kids. I didn't really know Jack or Judy well because they were older than me but I am sure that my older siblings probably went to high school with them. I was looking at Jack's photo here and just keep thinking about how much he looks like my Mom's bother, my Uncle Richie. My condolences to you and your family. “ So sorry for your family's loss! I can not picture Jack without a big smile on his face, that was just who he was. Even though we lived great distances apart, I looked forward every Christmas to his card and the picture of his beloved family. He was so proud of every one of them! I can't even imagine the hole in your heart, but I know he is in his heavenly Father's care. Love and big hugs to your entire family.

“ I'll never forget and always be grateful for the mentorship and caring Mr Lehman gave as I was growing up. From SOH-CAH-TOA, to constantly being positive on my less-than-stellar golf game, he always wanted to help us achieve our best. I'm a sub-bogey golfer (on a good day), Coach Lehman!!! He was a very special teach, mentor, and friend and has made a lasting impression on many of us. Our thoughts and prayers are with you all.

“ Mr. Lehmann was an exceptional teacher and coach. He encouraged me to take his advanced math classes and in the 70's it was not common for girls to do that. He was ahead of his time in recognizing and being supportive of girls in math, which I will always be grateful for. As a golf coach he had endless patience with teenagers. I remember him as one of the best teachers I ever had. My deepest sympathy to Barb and family.

“ I was deb Jacobs when in high school and remember that precious smile and how he taught us so many mathematics skills back then. he was a great teacher and mentor to many, I did not golf or play basketball but tried to cheer on the basketball teams. I am thinking of barb, and the 3 kids and grandkids, no one can take away the memories. I will be in Iowa next week in Iowa City, but might try to come to visitation if I can get away from grandkids activities for part of the day to see old friends. Take care to all of you and remember grief takes time and is in many stages. God bless his soul and all he did to help our world. Deb (Jacobs) Weiss. Blessings to the family left behind.

“ Mr. Lehman was always so patient when trying to explain Algebra. He would inevitably get the "When will I ever use this in real life?!" and he always had a ready and logical response. He even made story problems entertaining. :) My thoughts and prayers are with the family. God Bless.

“ So many great memories with Coach Lehmann. Most came from the golf course or riding the bus to tournaments. Coach would always tell us to "be humble", "lay up", "play it safe", "hit the 7 iron". Finally on our way to the state tournament in 2000 he said, "forget humble, go win it!" We took home the title for coach that day and I will never forget that moment. Nothing but fairways in greens in where coach is now. He will be missed but made the most of the time he was given.

“ Mr. Lehman was one of my favorite teachers. Math was never my forte and Mr. Lehmann had the patience of a saint! He would let me come in for extra tutoring and always managed to make me laugh. My sympathies are with the whole family. He was truly a great teacher.

“ My sympathy to the family. I started high school in Rockford in 1970. I took all 3 years of math with Mr. Lehmann. He also was my golf coach. Definitely one of my favorite teachers. He probably could remember every one of his students. I was honored to be able to type one of his papers for his masters degree. My payment was a box of high-priced golf balls. Don't think I ever opened them. He was a great teacher, coach, and friend. He will be missed by so many but he now has important work to do in Heaven.

“ Jack was a treasured member of the teaching/coaching staff at RRMV!! I have great memories of time working with him as his dedication to the students, families, and community were always apparent. My thoughts and prayers go out to you all! I know he will be greatly missed!

“ I did not know Jack as a teacher or a coach at school. I met Jack at church. He was a wonderful role model in his love of Jesus Christ and support of the church. I looked forward to seeing him at church and I enjoyed being a part of the same church family with Jack and Barb. Jack always greeted me with a smile and words of encouragement to continue my own education. He gave me confidence and esteem building praise to keep working hard and to follow my dreams. Words can not express the gratitude I have for your support. Everything happens for a reason, it is all in God's plan. You are loved and missed by so many! Peace to you and your family.
