“ Corky, Brett and Families. I'm so very sorry for the huge loss your families have suffered. So many memories of such a dear lady. I'm so glad when Dylan and I saw her in Fareway on May 4th I decided to give her an illegal hug. We all 3 were of course, picking on each other. She really was a part of Our family, when she needed help with a salad or patting meat dry for sandwiches needed for funerals, I told her, there wasn't anything I wouldn't do for her, and I meant it. May she have everlasting Peace and comfort. May God wrap his loving arms around each of you and help each of you navigate through the grieving process. Peace be with each of you
