“ *Maureen and I have many fond memories of our visits with Jerry and Alberta and their family. Alberta was also Maureen's second grade teacher and I think she still has the star Santa ornament they made from construction paper when in her class. Taking flowers to Alberta was the reason I walked from our farm up to the their house at Jim and Dorothy's. I couldn't have been more than 4 and I'm sure they were probably wild roses or some type of flowering weed, but I was so happy to go see her (and my mom had all sorts of visions of me in the ditch somewhere along the road). May your memories, Ann and Jay, sustain during this time of lost.*

In sympathy.
