“ *Bonnie-I met your mother when I was visiting some of the others residents at Kentucky Ridge. My thoughts and prayers are with you and your families. Mothers are special and I still have times when I could go to the phone and ask a simple question*

It generally has something to do with a recipe or cooking a favorite dish. God bless and peace. Marge (Ramker)Wasicek

“ I worked at Oakwood, and I absolutely loved Alice. During and after my shift I used to go into her room and talk and she'd always have me sit on the bed. Whether we sat in silence or we talked about anything. I was always glad when I went in to see her. I'll miss you dearly and thanks for always welcoming me into your room.
