“ *Bonnie will truly be missed. She came into our life at the perfect time and was the perfect companion for our father Harold. Bonnie always treated me and my brother Allan like we were her own. She never pretended to replace our mother. She just cared about us and loved us. I will always remember her smile and laughter. And yes her cooking!!!! Rest in peace you have earned a break.

“ *Harold was also my uncle, and when she came into our family she fit right in. She was an amazing cook but my favorite was her potato salad! Her collection of owls were everywhere in their house and beyond. Now she is reunited with loved ones and my parents as they can continue with their fishing stories and many more card games.*

“ *Bonnie Jorgensen married my dad, Bob Webster, when I was 10 and I finally had someone who I could call ‘Mom’ losing my mother when I was 3 years old. She was young and took on the role of caring for and loving me and my 12 year old brother, Randy, as her own. A year later came Theresa Lee and Lori Lynn arrived when I was 17. During those years in Charles City the Jorgensen family became an important part of my life with life long memories! Rest In Peace and with much love, Mom, I know your life wasn’t the easiest.*
