“ Troy and Tina: Please accept my condolences for the loss of your mother. I am one of your Miller uncles who knew your mother and you when you were infants and toddlers. I would stop at her house on my way home from Harding school. She always had a treat. She had a great smile and a great laugh. As a young teen, your mother was kind to me. Although our friendship was brief, knowing her left a life-time impression. With warm regards, Rod Miller (Mpls).
