“ I've known Danny since we were kids growing up in Lincoln, Nebraska. He was a super friend and always seem to keep in touch with you. Once Danny moved to Texas, I lost of touch him but we reconnected in last several years as he made his new home in Iowa. Rest In Peace good friend and I hope to see you someday on the other side. I've know Dan since Clinton elementary school when his family lived across the street from mine on No. 31st St in Lincoln. We kept in touch through the yrs. He'd make me laugh and share about his constant back pain. He was a great guy and I'll miss his phone calls, just to catch up. Rest in peace Dan.
