“ *I first met Dawn at Roosevelt Junior High School in early morning math help sessions. I think she was catching up because she was new to the school, I definitely needed extra help with Algebra and she was quick to offer help. She was a calm and cheerful presence in our group of friends. We spent many hours scooping the loop, hanging out, talking and laughing about our work at the "Herry Home".*

Sending thoughts of peace and comfort to Dawn's family.
