“ *Fullerton Family, Don Fullerton was an instigator, he was always
causing a little bit of mischief every where he went! That is how you
know you were in a special place in his heart! He saw you for who
you were as a person! He was one of the most kindest and caring
father figures I have ever known. You were always welcome no
matter what family dynamics were going on at the time. I am so
thankful that I was able to see you and the family last January on a
whim visit. God bless you all, you are truly special to us! Sincerely,
Phil, Amy, Hunter, Keyan, Greyson Kula and the fur babies.*
