“ *I will always appreciate the time Don and Elsie drove to Wisconsin to see my Mom, Verla Dutcher Turvold, when she was in the nursing home. She was Elsie's cousin and she always enjoyed sharing memories. Don was such a good man! They gave me great support at a challenging time in my life. Thanks!*

“ When I think of Don, I remember the saying... "You don't quit playing, because you grow old. You grow old because, you quit playing. " With that in mind, Don was one of the youngest people I know! Play on...
