“ *Elsie was one a generous, loving and compassionate woman. She is the one that I was honored to call my mother-in-law. She was a wonderful and honorable grandmother to my girls. She accepted everyone as they were, and was open to all. I will miss her helpful, knowledgeable, and helpful way. I am so happy to have had her in my life and there will always be a void in my heart. Now she can rest and enjoy the eternal life with those that have gone before her, including my loving Mark. My children will miss her butter horn rolls and her one of a kind cinnamon rolls. May you rest in peace! Love you always.*

Elsie was such a kind, generous woman. Always had a smile and friendly to everyone. Pete always says that Mrs Hanson was his favorite Sunday school teacher. May peace with with Don and the family.
