“ *There are so many great memories of my grandmother that I could share from my young years visiting the farm to just a few Sunday's ago. My grandmother was my inspiration growing up and she was the perfect example of a loving wife, mother and especially a grandmother. I am truly grateful that she had the pleasure of meeting my first grandchild and I am going to strive to be the kind of grandmother to him that she was to me. Our family is richer and stronger from all of the things she has instilled in each and everyone of us. I will miss our casino trips and card games. I love more than words can express Grandma! I miss so you so much but know you are with grandpa and my dad now.*
