“ *Freda Vivian Hedrick*

“ *Oh my, wish I'd known sooner. She was very special to my family. She was like a mom to my dad, Gary True. After his mom passed when he was 7, his Aunts took over that role, especially Freda. Everytime I was visiting with her, she'd say " you look more like Comella everyday" . She said her sister Comella, my grandmother was a special lady. I thought she had to have been, with sisters like Freda, Margie and Alberta. I will miss her much. Thoughts and prayers to family.*

“ I'm so saddened by the loss of my Aunt Freda. My heartfelt condolences to Linda, Sherry, Kim and their families. Your mom was a spitfire who loved life. I will never forget her kindness and love she shown me while growing up. Riding in the back of the pickup with fishing poles in tow heading toward the creek, croquet in the back yard, she always made me feel special as she would always answer the many questions I asked as she would be cooking or cleaning. I will miss her smiles and her laughter.

“ I am so very sad to hear about Freida. She was a neighbor of mine for many years. I loved to visit with her at her home and at Grant Village. Freida was a very wonderful person. She will greatly be missed. I thought about her on Thanksgiving. May she R.I.P.
