“ *I was saddened to learn of Irene's death. I was a classmate and friend of Irene at Iowa Lutheran Hospital and we were fortunate to get together several times to meet a couple other classmates but not in the last few years. As we aged our mobility lessened it seems. But I have fond memories of those early years a day of our experiences in ILH and later reunions. my sympathies to her family who I know she held so dear.

“ Dear Jim and family members,
I'm writing as a fellow classmate to express my sincere condolences to you and your family. May God bless and comfort you in this difficult time, and may He fill your heart and mind with precious memories of your many years together. It has been said that "friendship multiplies our joy, and divides our sorrow." May that be true for all of you as you experience the surrounding love of family and friends. God bless you all.
