“ *Sorry for the loss of Jimmy, when my mother drove the school bus; she always seemed to get him to smile when he was in a bad mood. He was the one kid she never would forget.*

Thank you very much for the nice memory, I am thankful for your mother could "make a difference" in his life, by reaching out to him and bringing forth his inside joy. I am sure he never forgot the impact she had on him at that time of his life.
