“ *To the family of Janice M. (Montgomery) Shipman, You have suffered a painful huge loss. My earliest memories of Jan was when she worked at the "Wheel Inn" restaurant north of Mason City. When my Mom and Dad asked where we should go eat I always suggested the Wheel Inn. Dad would ask why and I would just say Janice. That was the only reason I needed, I would get good food and get to see Jan. What a deal! My cousins numbered 14, she was my favorite - hands down! In the past few years we would talk about things and she always mentioned after passing on we get on an elevator and as the doors closed you realized there were no buttons. The elevator either went up or Heaven forbid go down. Cuz, I know it will go up when your get on! Bless you for being a part of my life, I will miss you so much. God speed.*
