“ *I met John a few years ago. I enjoyed talking with him. He was always ready to chat and give a hand if needed. Even when he was not feeling good, it was pretty easy to coax a smile or story out of him. He was so set on beating his illness.... so sorry that he could not accomplish that goal. He will be missed. --Judy*

“ *Thoughts and prayers to John's family during this difficult time. John was a great neighbor and I enjoyed getting to know him over the last few years. John was a man with a big heart and was always willing to help you. He was also a proud man, trying to manage things himself, even when things got tough. I always enjoyed our discussions on BBQ / smoking and just how crazy the world is today. I and the neighborhood will certainly miss this wonderful man. Matt Armour & family*
