“ *Ma. There were Soo many memories and great hilarious times we all had from here to Oklahoma from the night you met dad and broke his arm dancing at the old barn dance. He said that night he was going to marry this woman and he did . To the night dad took us all out to the chalet restaurant in mangum Oklahoma where we lived .he got too drunk and got arrested by the sheriff who was eating in the restaurant at the time for public 😂 intox we were so embarrassed and laughing so hard at the same time 😂 and we couldn't get him out till 4am and he's was hungry so we went to eat .I will miss you so much I love you Greg.*

“ *Shannon, grandkids, keep your chin up. Mom / grandma's watching you. I'm proud to say that Judy was one of my best friends. She had a big heart and loved spending time with her family. God may have called her home but she'll always remain in our hearts. Pat Holt*
