“ *I am so sad to hear that Kathy passed away. My heartfelt condolences to her husband and family. We were her neighbor in Plymouth for several years and Kathy was so kind, caring and such a great lady. She was always up for a chat, she loved seeing my kids walk by and play and she would bring her grandson over to play occasionally. We have moved and I purposefully planted a flower that I had admired from her garden over the years. This summer it is finally going to bloom and I was searching to see how I could get a hold of her to send a picture and catch up. I am shovked and saddened by her passing. So sorry to her family, Keith and her twin sister. Kathy was such a lovely lady.*
