“Perry, Mark, Kevin and families, Kathy and I want to extend our sympathy to all of you as you mourn the loss of Leona. She was such a gentle person, always interested in what you were doing. We always looked forward her annual Christmas Letter where she shared what was going on in her life and what was going on in the lives of her beloved boys and their families. She was so proud of all of you. We also always looked forward to visiting with her at the Buffington Reunion which she always attended and took care of the records as to who was there and the past years births, weddings and deaths. She will be missed very much. We have sent a memorial gift in her name to the Wesley UMC.

Sincerely,
Kathy and Sid Buffington

“I am so sorry to hear about Mrs Buffington's passing. I knew her for many years and was also her neighbor for years. She always brought Christmas baked goodies over and Otis loved to have play dates with Brownie and then Brutus while we would chat in the backyard. She will be missed by many. The neighborhood won't be the same without her. Thinking of all of you. She was a wonderful lady.

“ So sorry to read of the passing of this lovely lady. I first met her in the 70's at Wesley Church. My two young children were attending Sunday School and Leona and I shared working with a class of 3 and 4 year old children. She was such a kind and gentle spirit. I moved away from Mason but never forgot her. My daughter and her family are still members of Wesley and I would get to see Leona when I would visit. My sincere sympathy to her family.

Kevin, Perry and Mark: I am so sorry to hear of your loss of your Mom. Leona was such a wonderful Lady. She will be missed by so many. I have special memories of her and your father coming to see Ardith and me in Connecticut. Although not a blood Buffington, she took on the job of the record keeping at the yearly Buffington reunion. She was special. RIP sweet Leona. With an ache in my heart---Dave Buffington

*Sending our sympathy to "Leona's boys" & their families:
Jim & I want you to know we are thinking of you as you walk this difficult journey of grieving. Your Mom was one very special lady as you well know. Jim & I would feel like the Christmas holiday had truly started once we received her Christmas letter. We loved reading all she was doing to keep active & busy & of course enjoyed reading what each of you & your families were doing. I was always amazed at the interest she took in the Buffington family. The 4th of July gathering will not be the same without her. Well done good & faithful servant!!!!
