“ *I was so fortunate to have Lois as a dear friend from the time we worked at the Press in the 1960's. I just visited her recently on my trip to Charles City. We had a wonderful visit talking about "old times" at the Press and laughing about the fun we shared. We talked about our families and changes in our lives. She was always so supportive of me. I will surely miss her especially her wonderful Christmas cards and letters! My deepest sympathy to De Von, Dennis and family. Joyce (Girkin) D'Angelo Hawthorne, California.*
