“ *Dale and Joleen - my thoughts and prayers are with you. I do recall the pig farm memories. I also remember Dad and I brought Grandma to Twins game with the intent of us meeting somewhere in the hotel parking lot near Metropolitan Stadium so Grandma could spend a few days with you. I believe we missed a couple innings. Cell phones would have been nice back then. God Bless. Jim*

“ *Our condolences on the passing of Aunt Laraine. Many great holiday memories but I think the one most talked about is when we were visiting and went out to visit your relatives that raised hogs. All of us kids played in the hog pens all afternoon. The car ride home was more than just a bit fragrant. Prayers go out for all of you as you manage this time of sorrow.*
