“ We met Mark on the Pickleball courts. He was such a such a nice guy with a great sense of humor. He talked about spending as much time as he could with his kids. Deano just spoke with Mark a few weeks ago at the YMCA and we were so saddened by Mark's passing. Our thoughts and prayes go out to Mark and his family.

*Kris, I was so shocked and saddened to learn about your partner passing away. What a terrible shock that must've been. With your father passing away just 2 months ago today and your partner passing away unexpectedly, you must be going through so much heartache right now. I feel so bad for you and Mark's children and the rest of his family. Please accept my deepest sympathy and know that I will keep you in my thoughts and prayers. I pray that GOD will help you and I both get through the heartache we are both going through at his time.
Sincerely, Linda Angell*
