“ *Dear, Sweet, Mary -
I was very sad to hear you were no longer here with us. You have
been a part of my mom's life ever since I can remember. I loved
reading the cards you sent mom every year. Your penmanship was
absolutely perfect. Thank you for being a part of our lives. We miss
you & love you always!!! - Annie*

To Mary's Family

Your mom was a dear dear friend of my sister Karen Naber Harris. Karen passed in 2012 but I can only imagine how they are catching up and enjoying this new time of togetherness. Your mom was a very special lady and I pray your memories will continue to comfort you during this difficult time. Blessings and Sympathy

My sympathies to Lauren, David, and Lindsey. I remember your mom as a devoted Madison mom. I enjoyed visiting with her during conferences and I remember her volunteering her time with a project in the school library. Thinking of you all and wishing you comfort and peace.

“ I worked with Mary at the post office...in fact I took over her old route about 14 years ago...her customers sure loved her. She was quiet and kind with a heart of gold. Rest easy my friend.

“ I had known Mary since 1980 when we both worked at Cerro Gordo County Assessor's office. We kept in touch over the years and Mary always remembered my birthday. We always talked about family and raising children, even when they became adults.

I am so glad Ramona, who also worked at Cerro Gordo with us in 1980 reached out to me to have a reunion of the three of us. We met for the first time in years just four weeks ago.

This sudden loss of Mary will leave a void in my life as well as others.
