“ My deepest sympathy to the family of Mary Ann. I worked with her for several years at Floyd County Memorial Hospital. I was the Head Nurse in OB & she was my supervisor. She always came to OB to help me with a delivery. She was my favorite supervisor to work with. She stayed cool & calm in emergencies & charted with great detail. She always tried to relieve me so I could get some coffee or lunch. She also counseled me several times on personal matters. I am still grateful today for all her advice. She was a great lady & an awesome nurse. Barb Sheets
