“ *I am so sad to hear that Mayme passed away. She was one of my best friends. We would talk every week or so and I will truly miss that connection. She helped me get through my mom's passing and would call me everyday just to make sure I was doing alright. Randy, your mom was a very special and wonderful person. I will always have a special place in my heart for her. I will miss her so very much. Love Alice Stille*
