“ First met Mike on September 27, 1978, first day for us at Smiths Transfer. Mike had been in the freight industry already for a few years at Rock Island. He was a great mentor for me as a newcomer in the LTL freight business. We worked together for about 10 years until circumstances changed and Mike went to CF and I went to H&W. Mike was a great example for the Teamster Brotherhood , get the work done. Every Teamster in Mason City had much respect for Mike. My wife, Jackie and I also bowled a couple years with Judy and Mike, until the Rosebowl closed. Mike was an excellent bowler. Both of us also shared the brotherhood of being Vietnam Vets. I will think of Mike often now and remember the great times we had together. RIP Mike
