“ *Mike and I spoke late last year and was was excited to be off on a new venture to help aspiring PhD students. He WILL be missed by colleagues and students alike. My condolences to his family and friends. — feeling sad.*

John hannon - February 24, 2021 at 10:41 AM

“ *Mike and I went to a 4H conference in high school. We went out for the evening and never contacted each other again until he reached out and found me in March . We talked several times since then. I supported him during his illness and he was a great support during the pandemic this year*

Jean Evers - December 03, 2020 at 08:54 PM

“ *Dr. Ewald was my Doctoral Chair when I was earning my doctorate. We became great friends. It's been several weeks since I talked with him and a shock that he passed. I'll miss him greatly. My thoughts and prayers are with Lisa and the family. Go with God, Mike.*
