“ *Debbie and Paul,  
I'm so sorry to hear of the loss of your mother. I always have a warm spot for you all in my heart, and your mom was the glue that held you guys together. I just remember her being a constant presence when we would be playing at your house. I know your pain is deep right now. Take solace in the thought that she and your dad are together again, and that is a good thing. Much love, Jolynne Fredrickson Giordano*
