“ My favorite memory of Oscar is when he had his radio out front and we would sit there trying to see who could name the song first. I think it was always pretty close, but I think Oscar was the winner He was my “buddy” And we were looking for each other to see who would be outside first. I’ll miss you. 🥹 He’s a gentleman, thank you for all the good memories around here Oscar. My heartfelt condolences to you, Belinda and the rest of the family.

“ *One of many we were all at Belinda and Jr's in Wisconsin. The kids were little and Oscar would scare them by popping out his teeth. They loved it. But this time me(tracy) and the kids put in some hillbilly teeth and popped our teeth out at him. Oh we all laughed so hard. Oh what fun. Going to miss him and mom*
