“ *Pam was a special classmate who brought a sense of joy and adventure and mischievousness to the lives of those around her. The last time I saw her was at a class reunion where her smile and the special twinkle in her eye transported me to so many fun memories. Pam was a gift to her classmates, her family, her work, and everyone whose life she touched. Lori, I cannot imagine the depths of loss you are experiencing. Thank you for all that the two of you shared. And thank you for bringing Archer into Pam's life. Holding you all close as you walk this journey.*

“ I do remember Pam from school. I did not remember she was just 3 days younger than me. I did also work with Beulah in the kitchen at Gro haven (Good Samaritan Center) as a 16 year old. I remember Pam was always good natured and kind. My sincere condolences for your loss.
