Thanks Sherri it's taken a few days but I spent almost 4 hrs with Pat in the morgue I cried I screamed swore hit him hugged him talked abt good times but kept saying why it didn't have to end this way I wrote up a tribute & celebration of life to Pat it's a bit long but I hope people will read it to the end many didn't know our relationship but all I ever wanted was a normal life for him & with him he was so troubled I always worried abt him even when I hated him but now I can go on cause no more worry he is happy flying high & best of all HI IS FREE..no more worries nk pain & suffering he had a bad really rough life alot was his own fault but he was such an angry person mean drunk but now he can rest & he's the lucky one cause he gets to be with my dad love u
