“ *My deepest sympathy goes to the family of Patsy Hoffman. I knew Patsy when I was employed at First Security Bank and she provided the cleaning service . . . that included her family helping her. Patsy's attention to detail and keeping the bank facility looking clean and professional were appreciated. Even more appreciated, was the person I got to know. Patsy was a sincere, hard working, genuine person and I truly appreciated her.*

*My thoughts and prayers are with Patsy's family. I'm glad that I got to know Patsy and could count her as one of my friends.*
