“ Ray and I went through high school (1959 grad) together and remained friends throughout all these years. When ever I returned to MC he and I would have a beer and discuss NDS football and old high school common friends. Ray was a good guy and I certainly hate to see him gone. You were a touchdown Ray.

“ Ray and I met in the fall of 63 at NDSU, two ME transfer students. We became Friends while going to school there and stayed in contact over the years. Watched Bison football both there while sitting on aluminum bleachers outside (No Fargo Dome) and later at Ames and Mpls for different games. Ray as everyone knows was a real Football Fan. At one time, he had season tickets to both the Kansas City Chiefs and the Vikings and depending on weather and where they were in the playoffs I would be offered Viking tickets. So long old Friend!

Ray shared years and years of memories and information with me when I planned his 60th class reunion in 2019. Ray was a memory keeper of his high school class. He will be missed by his MCHS '59 forever friends. Linda Moen Muth

Ray was a special friend of mine and Sherry Aspland Pippert. We had some mighty fun times together, on the phone and in person. Got to dance with Ray at our last reunion, and he had such a wonderful time there! He was so happy!! Also Ray joined myself, Philo, Darlene Fountas, Mary Jo Thornblade and her husband, and Patricia Kreiger at lunch when I was home taking care of my brother this summer. We had a GREAT lunch and super conversations. Was a wonderful reunion. Ray, you will be missed. And thank you for the early years after graduation in your efforts of keeping us all together and in touch as a class!!! Thank you Ray for your friendship all these years!! Big Hugs, and say Hi to Sherry and all our other so missed classmates up there!! What a reunion that will be.... Sondra King Welsh

I am so sorry to just have heard of our friend and classmate, Ray passing away. May his memory be eternal. He was our communicator for years, keeping us all informed of each other through emails. He loved being a part of our reunion committee in planning and making sure everyone was enjoying their weekend. you will be having your own reunion with all who have passed before you. Rest In Peace Ray, until we meet again
