Very sorry to hear of Richard's passing. My sympathy to the family. I met Richard and got to know him when I was driving city transit bus. I asked Richard and Jeremey Peters if they wanted to go flying. Jeremey says right away yes, Richard had to think about it for a minute. He said he would go, we went out to the airport and jumped in the airplane and went flying around Mason city Clear Lake area. Richard wasn't sure at first but every time I looked in the backseat he was smiling ear to ear. We had a great time. Richard will be missed! Mark Halverson

It was Jeremey Anderson, not Peters. I got the wrong last name for Jeremey. From my post. Sorry.
