“ *Ted liked to joke around, and make you laugh. His favorite thing to say was, "you clink"! He never said that to me though! He was a proud grandpa when Cody was born. He showed his strength, and determination to get better when he had cancer years ago ,and went through strong chemotherapy.Sandy was by his side for 49 years always showing how much she loved him. I will miss his smile, and laughter. My prayers to Sandy,their children ,and grandchildren.*

“ *Always enjoyed visiting with "Gummer," as a lot of us knew him by. Ted was such a comical guy! He is going to be missed by sooooo many that loved him! He was a friend to everyone that he met. There wasn't anything he would not do for you. In fact, he would give you the shirt off of his back, if you needed it.
RIP my friend. We will meet again some day.*
