“ I will miss having Tim with me while fishing in Colorado and Alaska. He truly loved to pursue trout in the high lakes on the continental divide, and was very good at filling his creel. He was one of the most likable people I ever had the pleasure of being around. My heart goes out to his family. Mike buland

“ My thoughts, prayers and sympathy are with the family of Tim at this time. I have many wonderful memories of our childhood in Rockwell as family friends when I was a teenager and Tim and his sisters and brother were pre-schoolers and toddlers. I had the privilege of providing child care for them during the summers and other times when Lloyd and Irene were taking care of the family business. My brother, Pat, mentioned to me in recent years that he enjoyed visiting with Tim. Thank God for Tim's life and family Jane Fitzgerald

“ Abby, Tony and family...From Tim's work family to all of you, you are in our thoughts and prayers. You kids were his world. We "watched" you both grow up, get married and have families--he was so proud of all of you. There wasn't a shift that went by without a story or the latest pictures shared. A part of our world got a little darker yesterday, too...we wish him happy hunting and well stocked trout streams in his Heaven.

I worked with Tim at Lu's Lounge for 20 plus years. It's hard to believe I just talked to him 2 weeks ago and we ended our conversation the way we always did. I love you brother! He was a true friend and I will miss him dearly. Rest in peace, my Lu's brother!

To Kim, Abbi, Tony and family members: We were saddened to hear of Tim's passing and you are in our thoughts and prayers today at his memorial. We wish we could be there for support. We knew Tim when he married my neice, Kim and he always seemed to be well liked and an avid sportsman. May he rest in peace and all his memories be cherished by the family.
