“ Zach was always someone I enjoyed having around in the theatre suite. He always knew how to put a smile on your face when you needed it. Zach was also a talented theatre tech and I can't express how thankful we were for his work in the department. My heart absolutely aches for his family; praying for you all.

“ Dear family and friends,

Words cannot express my sorrow for you. I had the pleasure of knowing Zach as a student at Waldorf. From the first time I met him, I was impressed. He constantly showed care and compassion; he had a sly and quiet sense of humor, and was a very, very good young man. He cared and was always helping. Very simply, an outstanding young man and I was honored to know him. I wish I could say more to comfort you in your loss, but know that you are in my thoughts and prayers. John Shook
